Re: Billings v. Mount Abraham Unified School District  
Docket No: 5:21-cv-234

Dear Emerson:

I am writing to you regarding your letter concerning the Early Neutral Evaluation (ENE) process in the above-captioned matter. The ENE session was scheduled to occur on May 11, 2022. We postponed the ENE session after it was discovered that one of the essential parties was unavailable to attend at that time. We are working to file a Joint Motion to Amend the Discovery Schedule to accommodate the delays. The new date for the ENE session with Jim Spink is scheduled for September 27, 2022.

Thank you for your patience as we work through these scheduling challenges. Please let me know if you have other questions or concerns regarding this schedule.

Sincerely,

A handwritten signature in blue ink that reads "Wendy E. Radcliff".
